

Minors in Hospitality and Tourism Management

15-20 credit hours

The HTM (Hospitality and Tourism Management) Program has created three minors that will fulfill the interest needs of students pursuing baccalaureate degrees other than HTM, at Purdue University Calumet. Students with 15-20 credit hours of free electives on their plan of study can complete any of these minors.

Requirements:

All minors successfully met with "C" or above grades in all courses will be declared on the student's transcript.
