Telephone System Information and Repairs	ext. 2888

CAMPUS EMERGENCY TELEPHONES

OUTSIDE YELLOW CALL BOXES

The "Emergency Call Boxes" identified by the red signs illuminated with blue lights are located near building entrances or in parking lots.

To use these Emergency Phones:

1. Press RED button.
2. Telephone automatically dials the "2911" emergency number for the University Police.
3. Once the Police department answers the phone, speak clearly INTO the box.

INSIDE HOUSE/EMERGENCY PHONES

Wall telephones are located within the buildings and are identified with a red sign indicating them as an house/emergency phone.

During times of non-emergency, the restricted telephones may be used for intra-campus communications. These phones may be used in an emergency by dialing "2911" for assistance from the University Police.

PUBLIC COIN TELEPHONES

Public coin telephones are available in all buildings. These can be used in an emergency by dialing "911" which will be answered by the Hammond Police Department and does not require the deposit of a coin.
