

Thank You from the Dean ~

I would like to thank all of you who helped make the fourth annual School of Liberal Arts and Social Sciences Career Night a success!

Career Night gave several of our students an opportunity to meet with successful LASS alumni. LASS students were able to speak with professionals from many fields who could tell them about the value of a liberal arts and social sciences degree in the workplace of the 21st century.

There are many people I would like to thank for their hard work and efforts in making our LASS Career Night a great success, including all of our participating alumni, the LASS Advisory Board members, our LASS Department Heads, Chynisse Browder, Heather Cook, Patty Mellon, Janet Navarro, Barbara Osmon, Lee Rademacher, Stephen Tallackson, Duplicating Services, Kathy Hejmej, Christine Camadeca, and Rebecca Stankowski. Their help and support have been invaluable.

Thank you for your participation.

Sincerely,
